## Youth need your help!

Would you like to help homeless youth  
get a fresh start in their  
new homes?

**Join us in raising the basic household  
supplies needed for these youth to begin  
their new lives at The Lindquist Apartments!**

There are 24 units at the Lindquist Apartments and we are hoping to raise enough containers to outfit each new resident with welcome home items.

You can help by collecting basic household supplies:

**Kitchen kits:** a pot/pan set, kitchen utensils (pizza cutter, measuring cup, baking sheet, wooden spoons, etc), oven mitts, foil, Tupperware, kitchen towels and rug—all in a kitchen garbage can!

**Bathroom kits:** Bath towels, hand towels, washcloths, cleaning supplies, and bath mat set—all in a bathroom garbage can!

**Bedroom kits:** A twin sheet set, pillow, blanket, alarm clock—all in a laundry basket!

**Personal Care Kits:** deodorant, toothpaste, shampoo/conditioner, toothbrush, floss, nail clippers, lotion, face wash, soap, hair care products (culturally specific), toilet paper, and socks - all in a bathroom organizer!

**Donated items can be dropped off at The Link, 1210 Glenwood Avenue
